

## Work Experience

- 2012–PRESENT + **Vitec Fixit Systemer AS, Graphic Designer**  
Working on a marketing team designing digital and analogue material to increase awareness of our solutions, and sell them to B2B and B2C markets via articles, newsletters, brochures and more. Earlier worked at improving interface usability and design on a mobile app, websites and other online tools. Also designed and built websites for customers.  
+ Received the tile of Best Employee for the first quarter of 2013.
- 2007–2011 + **Erikson Consumer Multimedia (Jam Industries, Ltd.), Marketing Coordinator and Graphic Artist**  
Built any given project from the ground up, including researching, writing and translating its content, to laying it out effectively. Coordinated with a team to develop marketing strategies for products on a distribution and retail level.
- 2006–2007 + **Erikson Consumer Multimedia (Jam Industries, Ltd.), Graphic Artist**  
Designed catalogues, promo sheets, posters, and some flash websites.
- 2006 + **Montreal Dental Implantology Institute, Graphic Designer**  
Designed course handouts, brochures, PowerPoint presentations and built a trade show booth.
- + **Pink Rubber Lady (Filmmaker), Web Designer**  
Designed a new website and tutored the owner on how to update it.
- 2005 + **Clinique de santé dentaire Tremblay, Graphic Designer**  
Produced PowerPoint presentations and designed ads.
- + **Montreal Computer Seminars, Graphic Designer**  
Programmed Flash animations for a CD-ROM.
- + **Copoloff Insurance Agencies, Graphic Designer**  
Designed an evening program for a charity event and magazine ads.
- + **Insurfact Connect Inc. (Copoloff Insurance Agencies), Graphic Design Intern**  
Designed ads, brochures, websites, software interfaces and more.
- 2004 + **Fair Isle Productions, Graphic Designer**  
Designed logo and website.
- 2003–2007 + **Andréane Maher-Crevier (Photographer), Web Designer**  
Designed and maintained her portfolio website.
- 2003–2005 + **Bandersnatch (John Abbott College), Production Manager and Webmaster**  
Coordinated staff in production and layout of a biweekly newspaper and designed its template. Also designed and maintained its website.
- 2000–2002 + **Idéfix (Saint Georges High School), Layout Editor and Webmaster**  
Laid out the newspaper, designed and maintained its website.
